

Dear CEO,

The European Bio Economy Venture Forum will take place in Viborg, Denmark on 6 & 7 June 2018.

The Forum aims to support the world-wide efforts towards a circular economy. (See [event website](#).)

The role of entrepreneurs, industry and investors is essential to the successful development of a knowledge-driven economy in the Bio Economy sector and the European Bio Economy Venture Forum will offer a unique platform for stakeholders to exchange knowledge and build long lasting business cooperation. Selected presenting companies will participate invited for:

- **Coaching Sessions:** on 6 June (selected companies will dry-run their pitches)
- **Networking evening & Dinner:** on 6 June (for investors, entrepreneurs and industry players)
- **Forum:** on 7 June emerging companies will pitch in front of investors, keynote speakers, panel discussions, and plenty of networking opportunities, including One2One meetings.

The DEADLINE for applications is 5 April 2018.

- **No fee for applying or attending if selected:** there is no charge to apply and no fee for selected companies to attend the event (you only need to cover your own travel and accommodation costs) – **selection is based on merit only.**
- **Registration:** to register for the Forum please use the [registration page](#) online.
- **Profile:** make sure you update your company or project profile and/or add any new projects that you would like our selection committee to review.

Companies selected to present at the European Bio Economy Venture Forum will be notified in early May, but you might receive a brief due diligence call.

Please make sure the CEO is able to travel to the event to attend and to present on 6-7 June. Check ways on how you can reach Viborg [here](#).

Should you have further questions regarding the event, please do not hesitate to contact Aleksandra Angelova.
